2023-24 GRC and FRC COMMITTEE SCHEDULES

This schedule is provided for planning purposes only. Committee signup will take place online; instructions and a link will be sent via email at 8:00 am on January 8th only to members who have paid by December 31.

Financial Review Committee (FRC)

The FRC has 21 experienced analysts with 3 analysts covering each GRC. Although you will be doing a financial review for only one GRC committee, you will be asked to select two to three committees that would work in your schedule. We will make an effort to pair you according to your preferences, however, we cannot guarantee everyone will have their first choice of committee. New FRC members will also be paired with an experienced FRC member who will be available for any questions about the process, materials, or analysis. As a new FRC member, you will not have responsibility for completing the financial review of a nonprofit applicant, but will have an opportunity to review and complete the spreadsheet/report that the FRC uses to conduct their financial due diligence on the applicants. In addition, you can attend GRC Meeting #4 (selection of Finalist) and the Insightful Visits which are scheduled later in the grant review process.
